

CORPORATE EVENTS AT MORRISTOWN IGC

Private. Elevated. Turnkey.

Morristown Indoor Golf Club is a private, high-end venue for corporate events, client entertainment, and team outings—built for groups looking for a more immersive and memorable experience than a restaurant buyout, hotel conference room, or crowded indoor golf bar.

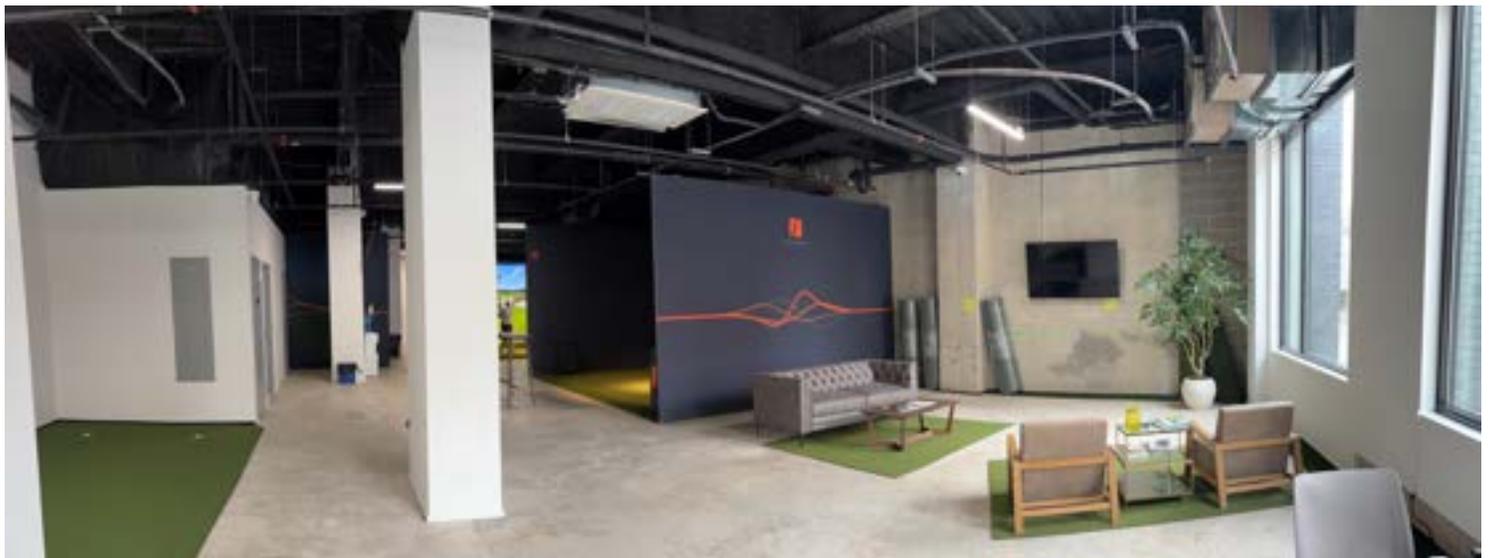

Whether you're hosting clients, rewarding top performers, or running an offsite that doesn't feel like an offsite, our space delivers a controlled, premium experience from start to finish.

The Space (Private Buyout)

Your group receives exclusive access to the entire facility, including:

- **3 oversized TrackMan bays** for competitive or casual play
- **200 sq. ft. indoor putting green**
- **Large lounge and seating area**
- **Big-screen TVs** for presentations, games, or branding

Everything is private. No walk-ins. No distractions.
